Forest Island, an exciting 16-acre tennis and aquatics center in the heart of Woodforest, is the **coolest** spot in the community!

Phase 1 opened this year, with residents enjoying two lighted tennis courts and a full-size basketball court. Opening this **SUMMER** is a pool complex that rivals the finest Texas water parks. Forest Island's **free-form amenity pool** has curved borders that

define several swimming areas, creating the

impression of multiple pools. A **slide tower**

and **spray areas** add enjoyment and the

zero-entry lagoon offers safe fun for the tiniest

swimmers. **Ample seating** makes the pool a great place for socializing and **in-the-water tanning decks** will

be a favorite for those wanting sun-kissed complexions.

A **winding pathway** through the trees and a **quaint log footbridge** connect Forest Island to the 3-acre **Lily Pad Spray Park**, giving Woodforest residents nearly 20 acres of fun!
